

Nathan Forest Community Association Inc Newsletter No 1

16/10/2015

Apologies that we have had limited communication regarding our association and the goals we have to improve services and facilities for the benefit of residents and owners in Nathan Forest Estate. Please be assured the committee has been hard at work since our inaugural meeting in the park. Progress has been made in several areas.

We have applied for and been granted official status as an Incorporated Association which allows us to accept donations

We have established a website NFCA.ORG.AU which will be enhanced in the coming months

We have opened a bank account in the name of NFCA Inc. at Westpac bank

We have received donations from OntheNet and Agama Solutions to help fund our cause.

You can find links on our website.

We have paid the initial fee to the NBN for our Area Switch application which is the next step of the process to determine costs for getting high speed fibre to the premises (FTTP) internet. More news to follow at the Community Day (see below).

To those of you who accepted the invitation to join our new incorporated association, THANK YOU. To those who haven't yet joined the new incorporated association but would like to can still just email your acceptance to our invitation email (if you have lost it just ask and we will resend).

If you know anyone who was not a member of the previous unincorporated association who would like to join the new incorporated association they can download an application form from our website NFCA.ORG.AU. We will have application forms at our booth on Community Day.

We have an uphill battle ahead to achieve our goal of getting the best internet service to our estate. If we are successful, not only will our daily lives be improved by better communications(internet, mobile, TV services, but this will have a huge impact on our property values.

Tracey Gilmore our local Council member has been a huge supporter of our efforts and we sincerely thank her. She will be hosting a Community Day at our park on The Oval on Nov 14th, 1-4pm. Local artists/vendors are encouraged to setup a booth, contact GCCC Community Development Officer Nikki Williams T:07 5581 6687 for details. We will have a booth there and look forward to seeing you.

Thanks again for your support.
